

HEART GONDOLA - MEDIUM SIZE

\$88.21

Murano glass gondola with two hearts. Available in medium, large and extra large size. A MuranoNet exclusive.

DESCRIPTION

The gondola is certainly the symbol of Venice. It is not only the oldest means of transport in Venice, but also the most romantic way to travel its channels. The gondola, a unique boat of as much as 11 metres length and 600 kilos weight, can be driven with lightness and easiness by a single man and with a single oar! The Heart Gondola is romanticism and love. The heart in the center represents the to be the main force that makes people fall in love. Is available in different sizes too. Choose your favorite!
