\$153.39

Squared gold crystal Trinket Tray with murrinas.

DESCRIPTION

Trinket Tray made of Murano glass crystal with gold leaf and sunk murrinas, which means that the murrinas are set over the frame, with the "vetrofusione" technique. Handmade by a selected supplier in Venice, using the traditional Muranese techniques. Any small defects or difference in measurements and colours as reported here are to be considered as evidence of this craftsmanship, and especially as an evidence of uniqueness of each single piece. Please, note that the murrinas color combinations are different for every piece.
