

CHINESE FIGURE KNEELING

\$505.86

Sculpture of a Chinese figure, kneeling.
Color: *calcedonio*.

DESCRIPTION

Sculpture of a person kneeling, made in **Murano glass** using the **Massello** and **Calcedonio** techniques. Ethnic figures are a classic theme in Murano glass production, due to the contacts that the Republic of Venice had built with far countries, such as China. Here maestro Tagliapietra celebrates that bond with a stylized sculpture of a kneeling Chinese figure.

Its **shimmering colors are due to the calcedonio technique**. The coloring effect is obtained by adding to the molten glass a mixture based on different metal oxides. The results are incredible.

Hand-made in Murano by Andrea Tagliapietra, following the ancient **Murano glass** techniques.
