\$458.68

Love knot in Calcedonio, on a base.

Medium size.

Color: *calcedonio*.

DESCRIPTION

Sculpture in **Murano glass**, made using the **Massello** and **Calcedonio** techniques.

The love knot is a typical Muranese message of love and friendship.

It represents a bond that can't be undone, a stable tie that resists to any difficulties and problems over time. Don't be fooled by its apparent simplicity: creating this twisted shape requires speed, precision, and great knowledge of the ancient Murano glass techniques. The sturdy base in **massello** glass sustains the sculpture and gives additional light to the whole composition.

Its **peculiar colors are due to the calcedonio technique**. The coloring effect is obtained by adding to the molten glass a mixture based on different metal oxides. The results are incredible.

Hand-made in Murano by Andrea Tagliapietra, following the ancient **Murano glass** techniques.
