Sculpture of three stylized lovers facing each other.  
Color: *calcedonio*.

### DESCRIPTION

---

Sculpture in **Murano glass**, made using the **Massello** and **Calcedonio** techniques.

Maestro Tagliapietra celebrates love with a stunning Murano glass sculpture. The two figures - a man and a woman - are depicted face to face and leaning on each other.

Its **peculiar colors are due to the calcedonio technique**. The coloring effect is obtained by adding to the molten glass a mixture based on different metal oxides. The results are incredible.

Hand-made in Murano by Andrea Tagliapietra, following the ancient **Murano glass** techniques.
