DESCRIPTION

A Murano glass sculpture of two lovers on a base: in **Murano glass**, made using the **Massello** and **Calcedonio** techniques.

The two figures are separated at the bottom and are depicted reaching out for each other.

Its **peculiar colors are due to the calcedonio technique**. The coloring effect is obtained by adding to the molten glass a mixture based on different metal oxides. The results are incredible.

Hand-made in Murano by our master glassmaker, following the ancient Murano glass techniques.
