

CHALCEDONY RIBBON

\$347.13

Murano glass sculptures of a ribbon on a base.
Color: *calcedonio*.

DESCRIPTION

Sculpture in **Murano glass**, made using the **Massello** and **Calcedonio** techniques.

Maestro Tagliapietra has created a stunning Murano glass sculpture of a ribbon on a base. Note how light the composition looks thanks to its sinuous lines and the perfect balance of each element.

Its **peculiar colors are due to the calcedonio technique**. The coloring effect is obtained by adding to the molten glass a mixture based on different metal oxides. The results are incredible.

Hand-made in Murano by Andrea Tagliapietra, following the ancient **Murano glass** techniques.
