Murano glass bike.
In various colors

DESCRIPTION

Murano celebrates the legendary *Tour de France* with this artwork: the unique **Murano glass bike**.

Hand-made using the traditional "lume" technique, each bike comes in different colors, according to the glassmaster's creativity and imagination.

This makes each artwork almost a **one-off**.

Made in Murano for MuranoVitrums by a selected supplier using the ancient **Murano glass techniques**.
