Murano glass necklace available in black, with glass beads and gold details.

DESCRIPTION

Murano glass necklace available in black.

Choker made with small Conteria Murano glass beads.

The Murano glass oval bead has been handmade using **battuto** glass, enriched with the **avventurina** and **calcedonio** techniques.

Details in gilded metal.

An outstanding example of Murano glass jewelry.

Length: 50cm circa. Since the product is handmade, these specs may slightly vary.

Designed and created in Venice by Antonio Vaccari using the ancient Murano glass techniques.
