DESCRIPTION

Venetian contemporary style wall lamp, in hand-made blown **Murano glass**.

As its name suggests, it's got the classical Venetian style with a contemporary look: the timeless design makes it suitable for any room. Bring the beauty of Venetian palaces into your home!

Arms are fitted with the quick connect "*Sistema Leonardo*": it enables the user to connect the arms to the pre-wired central body in one simple operation, with just one click. "*Sistema Leonardo*" is patented and certified to meet the EU IMQ and UL standards. Cleaning time is considerably decreased whereas safety is maximized. It's now possible to enjoy the beauty of an extremely stylish wall lamp without the difficulty to assembly it.

Available in:

- amber, gold frame
- gold, gold frame
- red, nickel frame

This product has been designed and handcrafted using the traditional Murano techniques by the atelier Voltolina, in Venice.
