

FISH - BUBBLES, GOLD AND RED

\$2,587.42

Red fish with gold and grey shadows - Murano Glass

DESCRIPTION

A wonderful example of Muranese art: each fish is handmade separately with inclusions of gold leaf, red glass and grey sbruffi.

Its vibrant colors have been inspired by the colors of Venice and the shimmering summer light of the lagoon.

Hand-made in Murano by Alberto Donà following the ancient techniques.

Signed at the bottom.
