

## SEDIMENTI COLLECTION - BLUE & RED VASE

\$1,048.59

Vase belonging to the exclusive Sedimenti Collection

---

### DESCRIPTION

The "Sedimenti Collection" has been created in the 90's by the maestro Romano Donà in partnership with Stefano Toso. The incalmo technique joins its maximum expression in this collection of vases: it is executed 4 times on each piece to achieve perfection. The results speak for themselves: uniqueness in beauty of colours and design. Designed by Stefano Toso, handmade in Murano by Romano Donà following the ancient Muranese techniques.
