

## CHRISTMAS BAUBLE - RED LINES

\$76.49

Glass bauble in red and white lines

### DESCRIPTION

---

Whatever look you are going to choose for your Christmas tree this festive season, we have just the right bauble for you! The bauble is made with the **Blown Glass Technique** which dates back to the II century b. C. and that involves inflating molten glass into a bubble, with the aid of a blowpipe (or blow tube).

\*All our baubles have the hook to be hanged

[Please take advance of our offer for 4 bauble mixed colours](#)
