Set of 6 mini Christmas Tree

### DESCRIPTION

---

Set of 6 mini Christmas Tree. Each tree measured 4cm x 6cm x 2,5 cm. This glasswork is executed with the Vetrofusione technique or Fused Glass in English. The method involves layering thin sheets of glass, often using different colors to create patterns or simple images. The stack is then placed inside the kiln and heated until the separate pieces begin to bond together. The golden part is made with a Gold Leaf and the 'baubles' are Murrines. All these combinations of techniques make the Christmas Tree Collection very unique and valuable.

\*Set of Green & Red included: three (3) green and three (3) red ones
