

## SET OF 3 BLOWN GLASS SWEETS

\$77.66

Set of 3 sweets

---

### DESCRIPTION

Don't be fooled: these sweets are made of Murano glass. They are carefully handmade one by one, with the "lume technique", choosing the brightest colors and the funniest motives, achieving a great level of realism. Put them all together in a bowl to get a better effect and bring the colors and joy of Murano to your home. Each candy is handmade in Venice following the ancient Muranese techniques.
