

CHALCEDONY CIRCLE LOVERS - CM 27

\$885.43

Murano glass sculpture representing two separate lovers on a base.

Color: calcedonio.

DESCRIPTION

A Murano glass sculpture of two lovers on a base. The two figures are separated at the bottom and are depicted reaching out for each other. A tribute to love by maestro Tagliapietra. Its shimmering colors are due to the calcedonio technique. The coloring effect is obtained by adding to the molten glass a mixture based on different metal oxides. The results are incredible and vary from the angle of view. Hand-made in Murano by Andrea Tagliapietra, following the ancient Murano glass techniques.
