DESCRIPTION

Marea Collection are beautiful vases made in Murano on behalf of the MuranoVitrum by the best master glassmakers.

These vases have a modern and trendy shape, and at the same time an elegant and balanced design.

The Marea Vase is perfect as a centerpiece or decoration piece for his timeless luxury.

This vase is made with the [soffiato](#) technique that consists in blowing the [bolo](#) with the help of a hollow steel rod.

The particularity of this vase is the **satIn finish with tint colored band** just as the tide of the sea (marea in italian).

After tempering the piece is cold-finished with the [molatura](#) (grinding wheel).

The colors are obtained by including metal oxides and other chemical compounds in the molten glass.
