

## MARTE VASE MEDIUM 16 CM

\$316.53

Marte Vase Medium Diameter 16 cm

### DESCRIPTION

---

The Mars vase, inspired by the red planet, warms your home with its incandescent color. Its spherical and minimal shape reflects colors that fade from orange to vermilion red. The satin surface makes this vase bright and velvety, it adapts to any context by breaking away and recalling nature. Three sizes available.

Designer: [Giorgio Barera](#)
