DESCRIPTION

Socrate Collection are beautiful vases made in Murano on behalf of the MuranoVitrums by the best master glassmakers. These vases have a modern and trendy shape, yet elegant and balanced design. The Socrate Flat Vase is perfect as a centerpiece or decoration piece for his timeless luxury. This vase is made with the **Blown Technique which involves inflating molten glass into a bubble with the aid of a blowpipe.** The Glassmaster manipulates the glass with the use of a torch on a smaller scale, such as in producing precision laboratory glassware out of borosilicate glass. The colors are made with a faded technique.
