

SOCRATE VASE 21 CM

\$2,317.05

Socrate Vase Height 21 cm

DESCRIPTION

The Socrate vase adapts with elegance to a post-modern or avant-garde decor.

The iridescent surface from a cold aspect that contrasts with the gold leaf and the amber core of the crystal and gold version, and creates a sidereal atmosphere in the steel and white gold version.

Performed with painstaking care in the best Murano ateliers with the blowing technique.

Each piece is unique in that it is individually executed.
