Siamese Cat - 49 cm

DESCRIPTION

The Siamese cat breed is known for its friendly, sociable, and affectionate nature.

These cats tend to be loving and trusting towards people, and they will often bond especially strongly with one person.

They are playful and intelligent, needing lots of interaction to keep them entertained.

This sculpture is made for Cat Lovers! The technique use is the [Massello](#) .

This process appeared in Murano for the first time in the late 20s thanks to Flavio Poli at the I.V.A.M. furnace
