### DESCRIPTION

**Murano glass sculpture of a nice and funny black & white penguin.** The penguin has been handmade according to the most rigorous glassmaking tradition. Handmade in Murano following the ancient techniques. This sculpture - like all the products sold by MuranoNet - is handmade and of the highest production quality. **Non-substantial variation of shape, size, colour or imperfections or minute air bubbles in the glass are inevitable and to be considered evidence of craftsmanship and uniqueness of each single product.**
