Gritti Picture Frame 18x24

DESCRIPTION

But your best memories in the most delicate Frame. **The Golden Picture frame is made of White Murano Glass crystal with Gold Leaf. Visible Frame 13x18 cm** Handmade by a selected supplier in Venice, using the traditional Muranese techniques. Any small defects or difference in measurements and colours as reported here are to be considered as evidence of this craftsmanship, and especially as an evidence of uniqueness of each single piece. The backside is made of plexiglass.
