\$109.06

the size of the photo that can be used is
cm 14x10
inches 5 x 3.7

DESCRIPTION

Picture frame made of glass crystal with submerged silver leaf. The murrinas and the coloured glass are molten in the glass frame, with the glass fusing technique. This product has been specially hand-made for MuranoNet by a selected supplier in Murano, using the traditional Murano techniques. The frame can be positioned horizontally or vertically. The back photo frame is in methacrylate.
