#### CLEANING INSTRUCTIONS

We recommend you to gently clean both the mirrors and glasses of our products by using a common glass cleaning agent and a dustmop only.

A feather duster is suitable for all antiqued Murano glass applications on our Venetian mirrors and for all wooden parts - please do not use any cleaning agents on these details.

We also advise you to handle our products very carefully and to apply a minimal pressure when closing doors and drawers - specially if they have knobs or push-pull opening system.

Always treat with care all articles.

OUR PRODUCTION IS HANDMADE, HANDCRAFTED, AND ANY DEFECTS OR SLIGHT VARIATIONS IN MEASUREMENTS ARE TO BE CONSIDERED AS EVIDENCE OF THIS CRAFTSMANSHIP, SPECIALLY AS AN EVIDENCE OF UNIQUENESS OF EACH SINGLE PIECE
