Glass figurine Bob Marley

DESCRIPTION

Bob Marley Tribute Sculpture - Murano Glass This incredible sculpture is a unique piece and was made entirely by hand on the island of Murano as a tribute to Bob Marley, an artist who wrote the history of music and humanity. Bob Marley was a political, spiritual and religious leader, as well as a great singer and musician. His music is strongly dedicated to the theme of the fight against political and racial oppression and to the call for the unification of colored peoples as the only way to achieve freedom and equality. The work is handmade with the lampwork glass technique. The beauty is unparalleled and best represents the centuries of tradition and study of the Murano Glass Art The Sculpture is shipped with the relative certificate of authenticity issued directly by the artist.
