

## GOCCIA GREEN VASE - MURANO GLASS

~~-\$3,175.47~~

SPECIAL PRICE \$2,540.38

Drop vase with inclusion of canna

### DESCRIPTION

---

In addition to the classic and revisited shape, what makes this vase unique is the color pattern. Obviously the colors are made by combining canes of different shades during the hot working of the vase. When blown and shaped, the tesserae deform in a natural way, elongating, thus accompanying the sinuous shape of the vase.
