~~\$933.82~~

SPECIAL PRICE \$840.44

Burlesque collection 2021

DESCRIPTION

Unique pieces made individually by hand. The technique used is called Lume (lampwork) This sculpture is incredibly detailed, every detail has been studied and cared for to make the work perfect. The shapes and proportions of each part of the woman's body are the result of the artist's expert and magical hand. The collection of Donne Burlesque represents the maximum expression of this glass working technique, anyone who sees them is fascinated by the precision with which they were created. The value of the sculpture lies in the uniqueness, the artist has dedicated a lot of time, talent and experience to create this piece individually. Each product is shipped with its certificate of authenticity issued directly by the artist.
