Murano glass paperweight

DESCRIPTION

A funny colorful Murano glass paperweight.

Murano Glass cubes are a specialty of *maestro* Alfier.

Handmade by Maurizio Alfier in his atelier in Venice using the *fusing* technique. Any small defects or difference in measurements and colours as reported here are to be considered as evidence of this craftsmanship, and especially as an evidence of uniqueness of each single piece. The colours available are crystal and black.

Please, note that the murrinas color combinations are different for every piece, so the colours available may vary from what is shown here on pictures.
