DESCRIPTION

Murano glass Incense Burner with murrine.

The magic Oriental colours have been trapped inside gorgeous murrina tiles and fused together: this Alfier's creation is incredibly beautiful and a striking eye-catcher with character. Handmade by Maurizio Alfier in his atelier in Venice using custom designed [murrine](#) and [fusing](#) technique. Any small defects or difference in measurements and colours as reported here are to be considered as evidence of this craftsmanship, and especially as an evidence of uniqueness of each single piece.

Please, note that the murrinas color combinations are different for every piece, so the colours available may vary from what is shown here on pictures.
