

LOVE GONDOLA - MEDIUM

\$73.15

Murano glass gondola with two hearts. Available in small, large and extra large size, and also in the [Christmas version](#). A MuranoNet exclusive.

DESCRIPTION

The gondola is certainly the most photographed craft in the world and its image has become, for millions of tourists, the symbol of Venice. If the lagoonal city is "unique in the world", likewise it is for the gondola a unique boat of as much as 11 metres length and 600 kilos weight, can be driven with lightness and easiness by a single man and with a single oar! Bring home the symbol of Venice. Available also in small, large and extra large size. Check the [Christmas version](#). Handmade by a selected artist in Murano exclusively for Murano Vitrum.
