

LARGE FAUCET WITH A FISH

\$581.44

Faucet with a Fish.

Size: large

DESCRIPTION

Murano glass sculpture of a faucet with fish inside, stunning in terms of quality and visual impact.

This glasswork is executed "*a lume*". By the "*a lume*" technique a single master makes the piece using a gas flame to fuse and to model sticks of colored Murano called "*canna*".

Hand-made in Murano by Cristiano Balbi, using the ancient Murano glass techniques.
