### DESCRIPTION

The Clown glass made by the Muranese artist **Cristiano Balbi** in his atelier in Spinea, near Venice. These glasses are an example of the amazing creativity of Balbi.

Each glass is an expression of joy and youth thanks to the use of bright colors and particular shape. The color of the glass is obtained melting together under heat of the typical murrinas of Murano. **The murrinas and the glass canes are inserted one by one.** Due to the peculiarity of the technique, **each piece is absolutely unique as pattern.**

If you're curious how it looks the pieces that will arrive to your hands we're more than happy to send you some pictures. Write us an e-mail to [muranonet@gmail.com](mailto:muranonet@gmail.com) and we will send you right back the photos.

This product has been handcrafted by Cristiano Balbi in his atelier in Spinea, near Venice, using the traditional Murano techniques.
