Murano glass ice cream: the only difference with "standard" ice cream is that ours... does not melt!

---

### DESCRIPTION

Bring home a touch of colour and fantasy: discover our funny ice cream cones. Available in different flavours: mint, mint and chocolate, stracciatella, strawberry, and cream. What could be better during hot summer days? The only difference with the one of the ice-cream parlour is that ours... does not melt! This product has been specially hand-made for MuranoNet by a selected supplier in Murano, using the ancient and traditional techniques.
