Amphora with sea horse on metal stand

### DESCRIPTION

---

This glasswork is executed "a lume". It means that a single master makes the piece using a gas flame to fuse and to model sticks of colored Murano glass they are called canna.

Our glassworks are made by the best-established glassmakers in Murano, younger craftsman frequently try to make similar subjects, but hardly they has the experience necessary to arrive to the same results in terms of quality and visual impact.
