Sbruffi Murano glass vase

DESCRIPTION

Murano glass vase handmade with the traditional Murano glass blowing and [sciafae](#) techniques. Its colours and design represent a small work of art, making this Muranese vase the perfect object to decorate every room. Handmade in Murano by Vetreria DiPi, following the ancient techniques. Any small defects or difference in measurements and colours as reported here are to be considered as evidence of this craftsmanship, and especially as an evidence of uniqueness of each single piece.
