DESCRIPTION

The Narcisa necklace is made up of a string of blue beads, accompanied by 9 cube-shaped Murano pearls, interspersed with 8 small metallic spheres studded with small faceted crystal stones that give incredible brightness. You can choose from 5 different colours: - turquoise: the 9 beads are turquoise with silver leaf and pink and cyan stripes. - green: the 9 beads are green with silver leaf and cyan stripes. - lime green: the 9 beads are emerald green with silver leaf and pink stripes. - indigo: the 9 beads are indigo with silver leaf and lilac stripes. - violet: the 9 beads are violet with silver leaf and lilac stripes. The glass beads are made in Venice by Muranese glassmasters for MuranoVitrum, using the ancient Murano glass techniques.
