DESCRIPTION

The Narcisa earrings are made up of a cube-shaped Murano pearl topped by a metallic sphere studded with small faceted crystal stones that give an amazing brightness. You can choose from 5 different colours: - turquoise: the bead is turquoise with silver leaf and pink and cyan stripes. - green: the bead is green with silver leaf and cyan stripes. - lime green: the bead is emerald green with silver leaf and pink stripes. - indigo: the bead is indigo with silver leaf and lilac stripes. - violet: the bead is violet with silver leaf and lilac stripes. The glass beads are made in Venice by Muranese glassmasters for MuranoVitrum, using the ancient Murano glass techniques.
