

I LIRICI VASE

MURANO VITRUM

[See other MuranoVitrums products](#)

\$4,403.79

"I lirici" blue vase with silver leaf.

DESCRIPTION

Another exciting addition to the [Sharpeye collection](#), this "I lirici" vase features great dimensions and vibrant colours. The indigo-blue matches perfectly the reflections given by the sunk silver leaf and the tangerine, yellow, lime and cyan rectangles. The inclusion of murrine completes this vase. Handmade in Murano by Romano Donà.
