DESCRIPTION

This handmade necklace is made of sterling silver and Murano glass.

The rectangular pendant hangs from the cord through three silver rings.

The glass bead is manually set in a expressly made silver frame.

It is made with a process similiar to the "sommerso" technique, that consists on a layer of colored glass with the inclusion of a platinum leaf, coated with a crystal layer.

This necklace gives a casual and youthful appearance.

The price is intended for the necklace as pendant + cord.

The glass has been handcrafted in Venice, then mounted and finished in Florence by the Gabriella Nanni atelier
