

SOMMERSO - SQUARED EARRINGS

\$117.35

See all [Sommerso collection](#)

DESCRIPTION

The beads have a regular, squared shape, but they are decorated with original patterns.

They are manually set in a expressly made squared, silver frame.

They are made with a process similar to the "sommerso" technique, that consists on a layer of coloured glass with the inclusion of a platinum leaf coated with a crystal layer.

Perfect at any occasion!

The glass has been handcrafted in Venice, then mounted and finished in Florence by the Gabriella Nanni atelier
