DESCRIPTION

Handmade pendant, made of sterling silver and murano glass - **sky Blue** - The pendant consists of two murano glass beads which are manually set under heat in an expressly made silver frame and is supplied with a double-wire cord.

Please, note that occasionally this special pendant can be not immediately available in our shop: in case it is not available, we will let you know and we will ask you to approve the delivery time.

The glass has been handcrafted in Venice, then mounted and finished in Florence by the Gabriella Nanni atelier
