

MURANO BALLOON - CRYSTAL CLEAR

\$66.21

Glass balloons made with the traditional Murano glass blowing technique, each one is a **small work of art**.

DESCRIPTION

Capture the magic and timeless suspension of these balloons: **each of them is a small piece of art, individually hand blown** by Marco Manzini in his atelier in Murano. Create a balloon bouquet in your room, office setting or add a special accent to the child's room, or even a private collection or public space. **The balloons will mesmerize your guests** as they hang from barely visible fishing lines. Choose from the vibrant colours available: it's a great way to **brighten your day** with a festive atmosphere!

Like all the products originated from the creativity of the Muranese masters, each balloon is unique; any small variation is a typical element and a guarantee of its craftsmanship.
