

BLACK APHRODITE SCULPTURE

\$970.78

Murano glass woman torso.

DESCRIPTION

Murano glass apricot rose Aphrodite on a base.

This is part of the "Aphrodite" collection by Pino Signoretto: a series of woman torsos in which even the smallest details are carefully reproduced.

Created with the [iridescenza](#) technique. This gives a peculiar iridescent effect to the surface.

Handmade in Murano following the ancient Muranese techniques. Signed at the bottom by Carina Cheung.
