

## HORSE HEAD - CM 26

\$1,321.72

Horse head, calcedonium glass and crystal

### DESCRIPTION

---

A beautiful sculpture made with the **massello** and **calcedonio** techniques. The calcedonio finish creates special effects depending on how the sculpture is lighted and from where you look at it. This original has been handmade by Andrea Tagliapietra in Murano, following the traditional Murano glass techniques.
