

CLOUD ABSTRACT SCULPTURE

\$2,046.70

A fluffy and bouncy cloud. In Murano glass.

DESCRIPTION

Is it possible to catch a cloud and transform it in a glass sculpture? Yes, it is! Look how Romano Donà managed to capture the essence of a fluffy and bouncy cloud in this incredible sculpture realized in [massello](#), with inclusion of blue glass and [zanfirico cannas](#). Designed by Romano Donà for Stefano Toso. Handmade in Murano.
