### DESCRIPTION

Don't be fooled: these candies are made of Murano glass. Each candy is carefully handmade one by one, choosing the brightest colours and murrinas, achieving a great level of realism. Put them all together in a bowl to get a better effect and bring the colors and joy of Murano to your home. Handmade in Venice following the ancient Muranese techniques. Available in a set of 30: colors are randomly selected and are subject to availability at the time of shipment. For preferences, write an e-mail to our customer care. Size may vary due to the handcrafted processing.
