Colourful round glass cufflinks

---

### DESCRIPTION

Colourful glass cufflinks.

Don't get fooled by the simple design: each piece is in fact enriched with the inclusion of golden powder, molten into glass. The result is a sparkling beauty that won't be unnoticed. Available in 6 colours.

Handmade in Venice for MuranoVitrums by a selected supplier, using the ancient Murano glass techniques.

Diameter: 18mm (0.71in)

Since each product is handmade, measures may slightly vary.
