\$110.72

Blue and gold picture frame with murrinas. Size of the visible picture: 13 x 9 cm. (5'1/8 x 3'55)

DESCRIPTION

Picture frame made of blue glass crystal with submerged murrinas, which means that the murrinas and the coloured glass are molten in the glass frame, with the [glass fusing](#) technique. This product has been specially hand-made for MuranoNet by a selected supplier in the province of Venice, using the traditional Murano techniques.
